## **B. Business activities**

*(Please insert here a brief description of the business activities undertaken by the Company and its subsidiaries.)*

The Company and its subsidiaries are principally engaged in (i) the sales of apparel and related products with the provision of SCM services to customers, delivering one-stop solution to customers in Europe and Asia; (ii) the agency fees from the sales of construction and related materials to the construction materials sourcing agents in South East Asia, and (iii) the sales and distribution of health supplements products. As a well-established apparel SCM services provider, we have developed a vertically integrated business model with services ranging across market trend analysis, product design and development, sourcing of suppliers, production management, logistics services and quality control. Through engaging us for apparel SCM services, our customers are able to focus their resources on their retail businesses and respond quickly to the fast-evolving changes of the fashion industry, as they do not have to separately engage different suppliers for various types of services throughout the apparel supply chain.
